This auction is presented and catalogued by Heritage Auctions, INC.

*This session is presented via catalog and online. Bidding is taken by phone or through our website. There are three phases of bidding during this type of auction:

- 1) Normal bidding: Bids are taken up until 9 PM CT the night the auction closes.
- 2) Extended Bidding: On a lot-by-lot basis, individuals that bid on any lots during Normal Bidding may continue to bid on those lots during the next two hours (9 to 11 PM CT).
- 3) 30 Minute Ending: On a lot-by-lot basis, starting at 11:00 PM CT, any person who has bid on the lot previously may continue to bid on that lot until there are no more bids for 30 minutes.

For example, if you bid on a lot during Normal Bidding, you could participate during Extended Bidding for that lot, but not on lots you did not bid on previously. If a bid was placed at 11:15, the new end time for that lot would become 11:45. If no other bids were placed before 11:45, the lot would close. If you are the high bidder on a lot, changing your bid will not extend the bidding during the 30 Minute Ending phase (only a bid from another bidder will extend bidding).
